Lumiere d'hiver Fluoro5 Elixir Restore & Repair Oil – Essentials Collection

Number 4™ Lumiere d'hiver™ Fluoro5 Elixir™ Restore & Repair Oil, is the new must-have fashion & beauty staple. A lightweight, hair repair treatment serum with FluoroSilicone illuminates hair with time defying shine plus UV and humidity protection. Reduces blow dry time while dishing out dazzling results more brilliant than any red carpet glitterati. Our Liquid Complex Culture™, which now include the (FluoroSilicone) Fifth Element for dazzling shine, defines all of our products and ensures nothing less than a hair miracle. They draw upon water—the spring of health and eternal youth. An advanced delivery system takes beneficial botanical ingredients and creates tiny molecules from that material to infuse unique anti-aging, strengthening, color preserving and purifying “I can’t believe I fit in this dress” results.
