Jour d'automne Thermal Styling Protection—Style Collection

Number 4™ Jour d'automne™ Thermal Styling Protection performs as an air-weight barrier between you and the daily use of hot tools. O'lala! It sets curls for long-lasting effect and hold without stiffness or flaking. Our conditioning properties deliver nourishment, shine, and astonishing sartorial possibilities. Our Liquid Complex Culture™ defines all of our products and ensures nothing less than a hair miracle. They draw upon water—the spring of health and eternal youth. An advanced delivery system takes beneficial botanical ingredients and creates tiny molecules from that material to infuse unique anti-aging, strengthening, color preserving and purifying “I can't believe I fit in this dress” results.
