Lumiere d'hiver Super Comb Prep & Protect—Essentials Collection 8 44977 100213 17

Number 4™ Lumiere d'hiver™ Super Comb™ Prep & Protect leave-in conditioner strengthens and repairs last summer's "Too many weekends in Rio" hair. It's a detangling aid care unit with UV/Color Polar Shield, power dryer system and full of nourishing benefits. Our Liquid Complex Culture™ defines all of our products and ensures nothing less than a hair miracle. They draw upon water—the spring of health and eternal youth. An advanced delivery system takes beneficial botanical ingredients and creates tiny molecules from that material to infuse unique anti-aging, strengthening, color preserving and purifying "I can't believe I fit in this dress" results.

Features and Benefits

Vegetable Protein Strengthens and protects .

Anti Static Tames fly-aways.
