Lumiere d'hiver Body Lotion

Your dry, chapped hands are in desperate need of lotion, but if you stop and apply, your phone will slip right through your hands like soap in the shower. Consider Lumiere d'hiver Body Lotion to be like the bluetooth of lotions, instantly enabling moisture and hydration with its nourishing but lightweight, quick-absorbing formula. Containing soothing aloe and smoothing and protecting shea butter, it is designed to feel rich and luxurious without leaving behind a greasy residue...so you can instantly answer that text or engage on social media with your freshly nourished hands.

Vegan, Gluten Free, Sulfate & Sodium Chloride Free, Paraben Free

Pourquoi Je t'aime (Why I ♥ You)

- “Great texture—it feels very smooth when applying and doesn't leave you feeling greasy. It left my skin feeling hydrated for most of the day.” – *Paul Blanch, Editorial Stylist*
- “Nice fragrance and performs well. Thick and creamy consistency but absorbs quickly.” – *Frankie Payne, Celebrity Stylist*
- “The body lotion is amazing. I use it on my travels. Everything from Number 4 just smells so incredibly good.” – *Sparkle Tafao, Hair and Make-up Artist*

Tips & Tricks

- “Love, love, love the fragrance. This lotion is the perfect end to at-home spa routine—after soaking in the tub, massage it into your dry skin and breathe in the scent. It's so calming and relaxing.” – *Cynthia Baker, Beauty Executive*
- “Mix with a few drops of our Fluoro5 Elixir Restore & Repair Oil to transform it into a wonderful massage lotion.” – *Toni Wells, Brand Director*

Directions
